Do You Enjoy Your Meals?

If you do not enjoy your meals your
digestion is faulty. Eat moderately,
especially of meats, masticate your
food thoroly. Let five hours elapse
between meals and take one of Cham-
berlain's Tablets immediately after sup-
per and you will soon find your meals
to be a real pleasure. adv

Lame back may come from overwork
cold settled in the muscles of the back,
or from disease. In the two former
cases the right remedy is BALLARD'S
SNOW LINIMENT. It should be rub-
bed in thoroughly over the affected
parts, the relief will be prompt and
satisfactory. Sold by Price Drug Co.

Presbyterian Bazaar

The Auxiliary of the Presbyterian
church had their annual bazaar and
market November 24, at the court-
house.

The rooms seemed to have been
touched by fairy fingers so dainty was
the hand work and so lovely the deco-
rations. The snow scene arranged by
the deft fingers of Mrs. Burton and others
was a thing of beauty, the snow man
and snow balls attracted the attention
of the children. A box of pretty hand
work sent by Mrs. C. A. Harper was
quite a pleasant surprise to the ladies.
Lunch was served in the adjoining
room by several of the ladies. Christ-
mas seemed near when you entered the
room, a Xmas tree was in the center of
table decorated with Xmas ornaments
and snow. The lunch room was well
patronized.

A sum far larger than was anticipat-
ed was realized from bazaar, market
and lunch. The ladies wish to thank al-
who so liberally patronized them also Mr.
Shinault who was so kind as to lend
anything that was needed from the
store. "C"

It Isn't Fair That's All!

To Your Family--To Your Friends--
To Yourself--Going Around
Half Sick

TAKE CARE OF YOUR HEALTH

If Your Blood Is Weak and Clog-
ged with Poisons, Pepto-Mangan
Will Strengthen and Purify it

When you get over-tired day after
day, your system has to get rid of so
much waste it can't create new energy
fast enough. The result is that your
blood is filled with waste matter. It
becomes clogged. You are trying to
get around with a lot of poison in your
system.

You look bad, you feel poorly. You
get out of patience easily. Ambition is
lost. You just don't care about any-
thing.

That is no way to live. Your blood
needs help for time. It is starved. You
will find help in that tonic, Pepto-Man-
gan. Pepto-Mangan purifies the blood
and fills it with red corpuscles. In a
little while you'll have plenty of rich
red blood and you won't know yourself.
It isn't a magic medicine. It contains
iron and other ingredients that feed
starved blood and makes it rich and red.
Physicians have prescribed Pepto-Man-
gan for years. Pepto-Mangan is sold
in liquid and tablet form. Take either
kind you prefer. One acts the same as
the other. Both contain the same in-
gredients. But be sure to get the gen-
uine Pepto-Mangan—"Gude's." The
full name, "Gude's Pepto-Mangan,"
should be on the package. adv

ANCIENT MORAL IDEALS.

THE Bibliotheca Nationale in Paris has
a papyrus roll discovered about the
middle of the last century. It is an
Egyptian writing, penned about 3500 B.
C., belonging to the eleventh dynasty.
This manuscript, however, represents a
much more ancient time than its date
signifies, for it is a copy of another be-
longing to the fifth dynasty, and the two
cover a backward period of perhaps thirty-
six centuries B. C.

The book is one of moral teaching, dis-
cussing and proverbial in style. Evidently
the product of a cultivated intellect, it
assumes intelligence and education on the
part of the reader.

These are some of its maxims:
Be not thou puffed up with thy learning;
honor the wise, neither withhold thou
honor from the simple.

The gates of art are closed unto none;
whom interesteth them, though he seek
perfection, yet shall he not find it. But
the words of wisdom are hid, even as the
emerald is hid in the earth, and adamant
in the rock, which the slave diggeth up.
If one rail against thee and thou thinkest
answer him not again, but be as one that
cannot be moved, even so shalt thou over-
come him. For the by-standers shall de-
clare that he who, being provoked, holdeth
his tongue, is greater than he who pro-
vokeeth, and these shall be honored of those
who have understanding.

Be diligent and do more than thy master
commandeth thee; for the slothful servant
shall be discomfited, and he that is idle
shall be chidden.

Hide not thy path; let not thy way be
hidden; though thou stand in the council
of thy master, declare the truth that is in
thee.

SOMERVILLE EVIDENCE FOR SOMERVILLE PEOPLE

The Statement of Somerville Res-
idents Are Surely More Re-
liable Than Those of
Utter Strangers

Home testimony is real proof.
Public statements of Somerville peo-
ple carry real weight.
What a friend or neighbor says com-
pels respect.

The word of one whose home is far
away invites your doubts.
Here's a Somerville man's statement
And it's for Somerville people's bene-
fit.

Such evidence is convincing. That's
the kind of proof that backs Doan's
Kidney Pills.

John W. Russell, prop. of the Som-
erville Bottling Works, says: "I was
in bad shape with kidney trouble. I
couldn't even lift a case of soda water
from my auto when delivering to my
customers. I was so lame across my
back, I had to toss about all night in
bed, trying to get ease from my pain
and my kidneys didn't act right at all.
I used different kidney remedies, but
failed to get relief until I began taking
Doan's Kidney Pills. This medicine
seemed to reach the trouble, and it was
no time before two boxes completely
cured me."

Price 60c at all dealers. Don't simply
ask for a kidney remedy—get Doan's
Kidney Pills—the same that Mr. Russell
had. Foster Milburn Co., Mfrs., Buf-
